CONSTITUENT ASSEMBLY OF INDIA - VOLUME XII
Tuesday, the 24th January 1950

The Constituent Assembly met in the Constitution Hall, New Delhi, at Eleven of the Clock, Mr. President (The Honourable Dr. Rajendra Prasad), in the Chair.

TAKING THE PLEDGE AND SIGNING THE REGISTER

The following Members took the Pledge and signed the Register :-

Shri Ratnappa Bharmappa Kurnbhar (Bombay States).

Dr. Y. S. Parmar (Himachal Pradesh).

STATEMENT RE: NATIONAL ANTHEM

Mr. President: There is one matter which has been pending for discussion, namely the question of the National Anthem. At one time it was thought that the matter might be brought up before the House and a decision taken by the House by way of a resolution. But it has been felt that, instead of taking a formal decision by means of a resolution, it is better if I make a statement with regard to the National Anthem. Accordingly I make this statement.

The composition consisting of the words and music known as Jana Gana Mana is the National Anthem of India, subject to such alterations in the words as the Government may authorise as occasion arises; and the song Vande Mataram, which has played a historic part in the struggle for Indian freedom, shall be honoured equally with Jana Gana Mana and shall have equal status with it. (Applause). I hope this will satisfy the Members.
